Letter from the Principal, Mrs. Erin Zajac

To Our Current and Prospective Parents, Students, and Families,

Welcome to Saint Clement Catholic School – a place where faith and community bring EXCELLENCE! I am excited to begin a new school year with the support of an amazing administrative team and dedicated faculty and staff who are committed to making a positive difference in the lives of our students. In partnership with you, our strong, faithful, caring community, it is our greatest responsibility and our *ministry* to live and carry out our school’s mission, vision, values, and goals. Saint Clement is able to offer a wide range of alternatives, in order to pave the way for differentiated, engaging, and higher learning. I believe that setting high academic expectations, appropriately *challenging* our students in both curriculum and character, as well as providing suitable support systems will ensure that each student works at their highest God-given potential by fostering the *growth* and *development* of the whole child.

Personally, I am beginning my second year as principal. I am a life-long parishioner of Saint Clement Parish and graduate of Saint Clement Catholic School, Moreau Catholic High School, and Cal State East Bay. I have had the pleasure of working as a classroom teacher for thirteen and a half years, a Learning Support Coordinator for three years, and the last nine years also working as Vice Principal here at Saint Clement Catholic School. I truly cherish the Saint Clement community and wish to continue to offer a faith-filled, quality education to the students. One can feel the genuine care, appreciation, and support living within our school, making it a unique and extraordinary place to be.

With God’s help, let us continue to work together, not only to celebrate the traditions of the past, but also to embrace the challenges of the future. I am looking forward to working with you and each and every one of our students. It is with great pleasure and honor that I am given this chance to serve all of you.

Peace and Blessings,
Erin Zajac

Boards, Committees, and Organizations

Diocesan School Board

A Diocesan School Board is appointed by the bishop to act in an advisory capacity to the superintendent and to himself. The responsibilities of the Diocesan School Board include: discussion of any major change in the operation or organization of a school; recommendation of policies affecting the standards of education, finance, salary scales for school personnel, and promotion of effective public relations on behalf of Catholic education.

Local School Board – Saint Clement Advisory School Board

The local school board acts in an advisory capacity to the pastor and principal. Its mission is to bring its wisdom, talent, experience, faith life, and good will into the process of providing quality education for all the children served by the school. The local school board furnishes the support and leadership to carry out the Church's commitment to Christian education.

Those who serve on Catholic school boards, both Diocesan and local school boards, support an environment for the teaching of the Catholic faith, the building and experiencing of community, the serving of others and the opportunity for worship. They are called to model what they identify as the purpose of Catholic education. This year the Executive School Board continues under the guidelines of Catholic School Management. School Board sub-committees of the following: Mission Effectiveness, Technology, Finance, Building and Grounds, Marketing and Development will meet on a monthly basis.

Diocese of Oakland Mission

Statement of Purpose

The Catholic elementary and secondary schools within the Diocese of Oakland are the expression of the educational ministry of the parishes, religious congregations and of the Diocese itself. Under the authority of the Bishop, the schools share a common Christian vision, resources and responsibilities as they strive to serve the youth that are reflective of the diverse cultural, ethnic, and economic population of Alameda and Contra Costa Counties. The Diocese and individual schools are committed to include the poor in Catholic school education.

The tenets and tradition of the Catholic faith are an integral component of the philosophy and goals of each school. All facets of Catholic education contribute to the faith development of the students and reflect the commitment to teach and model Catholic principles founded in the liberating love of Jesus Christ and the Good News as proclaimed by the Roman Catholic Church in contemporary society.

The schools prepare youth to respect the sacred dignity of the person as an individual and as a responsible member of the community. They enable students to translate the Good News into action within a challenging and disciplined environment by providing caring and capable teachers. Finally, schools acknowledge that parent(s)/legal guardian(s), who have the primary responsibility for the moral and religious development of their children, are partners with the parishes and the entire Christian Community in the continuing education process. Together they participate in the development of school policies, curricula and budgetary processes based on Christian values within the constraints of the local school resources.

Consequently, Catholic schools are committed to provide:

- activities that allow students to experience prayer and liturgy;
- quality educational opportunities for students of varied academic abilities;
- financial aid programs to assist those families unable to assume full financial responsibilities for tuition
- opportunities for students to serve others in order to fulfill the mandate of the gospel and demands of justice and to recognize that society requires the cooperation and contribution of each of its members.

It is this sense of common purpose, which inspires each school community to strive to meet the challenge of the goals set by the Catholic Bishops of the United States. “To be communities of faith in which the Christian message, the experience of community, worship, and social concern are integrated the total experience students, their parent(s)/legal guardian(s), and the members of the faculty”.

Diocese of Oakland Code of Conduct Involving Interactions with Minors

Preamble

As leaders in the Church founded by Christ, priests, deacons, and lay ministers within our parishes and institutions must always seek to uphold Christian values and conduct. In addition to following the Gospel and its mandates, all are expected to act properly at all times, especially when in contact with young people. This Code of Conduct establishes general guidelines and boundaries when ministering to minors. Many items mentioned in this document are applicable to ministry with adults, but this Code addresses explicitly proper contact with persons under 18 years of age. Further guidance and advice can be sought from the Chancellor of the Diocese of Oakland or the Coordinator of Safe Environment, as needed. This Code is applicable to all persons who work or volunteer in any of the parishes and institutions in the Diocese of Oakland. This includes, but is not limited to: priests, religious (men and women), deacons, pastoral coordinators, school/program administrators, teachers, catechists, youth ministers, support staff, custodial staff, coaches, school, parish and diocesan volunteers, seminarians serving internships, and lay theology students. This Code is not an attempt to anticipate every situation that might arise, but to provide a set of standards and appropriate behavior to guide all those in pastoral ministry to children and young people. This Code of Conduct is to help create a safe, appropriate, and Christian environment for minors and their relationships with adults involved in Church ministry.

Responsibility for Compliance

All who disregard this Code of Conduct will be subject to remedial action by the Diocese of Oakland. Corrective action may take various forms – including verbal or written warning, termination of employment, or removal from ministry – depending on the specific nature and circumstance of the offense. Those who witness or who receive reports of suspected abuse (except under the seal of Confession) are required both legally and morally to report to the appropriate civil (e.g. Child Protective Services, Local Police or Sheriff) and pastoral authorities. If you are an adult who is responsible for children, you are a mandated reporter obligated by civil law to report any suspicious abuse or neglect of a minor to Child Protective Services immediately or as soon as practically possible.

Expected Behaviors with Regard to Ministry to Minors

- Minors are not independent individuals: Any and all involvement with minors is to be approached from the premise that minors should always be viewed – whether in a social or ministerial situation – as restricted individuals, that is, they are not independent. Minors are subject to specific civil laws in the State of California, which prohibits certain activities. They are not adults and are not permitted to make unfettered decisions.
- Training and screening: All those in contact with young people in a ministerial role must complete Safe Environment Training and be screened according to the requirements established by the chancellor and the Diocesan Safe Environment Office.
- Adults are never to be alone with children: Adults (minimum 18 years of age) should avoid situations that place them in a position to be alone with a minor in the rectory, parish residence, school, or in a closed room other than a confessional.

- Meetings and/or pastoral counseling: In meeting and/or pastoral counseling situations involving a minor, the presence or proximity of another adult is encouraged. However, in those situations where the presence of another adult is not usual or practical (e.g. piano lessons, disciplinary meeting with an administrator, etc.) another adult should be informed that the meeting would be taking place. The meeting place must be accessible and visible with the door left open where the meeting is taking place unless there is a clear window built into the door.
- Sacrament of penance/reconciliation: The Sacrament of Penance/Reconciliation is normally to be celebrated in a place identified for that purpose, e.g. reconciliation chapel, confessional, or other areas with visibility: The location should be acceptable to the confessor and confessee.
- Rectory restrictions: An unaccompanied minor is allowed only in the professional area of the rectory or parish residence, never in the living quarters. Minors age 16 and over are permitted to work in the professional area of the rectory, when there are two adults over 18 years of age present.
- The sacristy door: The sacristy door is always to be unlocked whenever minors are present within the sacristy.
- Supervision at sports events and games: At least two adults, one of whom is to be the same gender as the participants, are to be present when a group of minors engages in organized games or sports activities. At the High School level (nine-twelve), one adult is sufficient. Sports leagues sponsored by parishes or Catholic schools 8th grade and under must be under the supervision of the CYO Office.
- Bathrooms and dressing facilities with children present: Adults must avoid being the only adult in a bathroom, shower room, locker room or other dressing areas whenever minors are using such facilities.
- Transportation in private vehicles: Adults are prohibited from taking youth home or to another location, unless another adult is present in the vehicle.
- Unacceptable topics and language: Comments of a sexual nature are not to be made to any minor except in response to a specific classroom or otherwise legitimate questions from a minor. Topics or vocabulary such as profanity, cursing and vulgar humor must not be used in the presence of a minor/minors.
- Youth trips away from parish facilities: At the elementary level student group trips of any kind must have a minimum of two adult chaperones, at least one of whom should be of the same gender as the young people. (For larger groups a ratio of one adult to 10 students is recommended). At the High School level one adult chaperone or driver per group is sufficient. Depending on the activity and the age of the participants, there must be sufficient adult chaperones present to adequately supervise the group at all times. While on youth trips the adults as well as the minors may not use alcohol or controlled substances and anyone under the influence of these substances may not participate in the event. One adult alone shall never engage in an overnight trip with a minor or minors. While on youth group trips, adults are never to stay alone overnight in the same motel/hotel room with a minor or minors. Any overnight trip for children or youth must include supervision around the clock. If adults are not rooming with the youth, there **MUST** be an adult (over the age of 18) on duty, in the hallways or outside of cabins at all times when youth/children are present in the rooms/cabins. This can be accomplished with live scanned and cleared volunteers, employees of the Diocese, or someone who is hired specifically for security.

- Prohibited substances: It is absolutely prohibited that adults serve or supply alcohol, cigarettes, inappropriate reading material, or controlled and illegal substances to minors. Alcoholic beverages will not be served or consumed at parish or school social activities intended primarily for minors. Minors may not serve alcohol at events. Event leaders should take all necessary action to ensure that no one working with youth is either in possession of illegal drugs or under the influence of alcohol or illegal drugs.
- Age-appropriate media: Audiovisuals, music lyrics, and print resources used in programs must be screened prior to use to ensure their appropriateness for the participants. It is never appropriate to use an “R” rated movie or movies that have been rated with an even stronger designation. The Diocese of Oakland absolutely prohibits the acquisition, possession and distribution of Child pornography.
- Boundaries of physical contact: Careful boundaries concerning physical contact with a minor (beyond a handshake) must be observed at all times and should only occur under public circumstances. Prudent discretion and respect must be shown before touching another person in any way.
- Social media: The Diocese of Oakland prohibits any irresponsible use of technology both at work sites and at home. All users will be held responsible for their published words. If they negatively affect the Diocese or any parish/school site in ways that are contrary to our mission, users will face disciplinary action up to and including termination. Employees and volunteers will be held accountable for use policies that are in place at their local parish or school site.
- Guidelines as applies to relatives of the minor: Some adaptation in applying these guidelines when the minor is a relative ought to be the norm, but appearances in public nevertheless need to be maintained.

Expected Behaviors in Pastoral Counseling of Minors

- Setting: Pastoral counseling of a minor must only take place in the professional area of a rectory, never in the living quarters. Offices or classrooms used for pastoral counseling of a minor must have a window in the door, or the door is to be left open during the counseling session.
- Supervision: Another adult should be in close proximity during any counseling session.
- Parental notification: Unless the subject matter precludes their presence or knowledge, parents or guardians of minors must be made aware of the counseling session. If counseling is expected to extend beyond one session, evaluation of the situation should be made with the parents or guardians.
- Inappropriate attraction: The adult is responsible to recognize any personal and/or physical attraction to or from a minor. In such a situation, the minor must be immediately referred to another qualified adult or licensed professional. If the attraction is acted upon, the parents/guardians must be notified and appropriate action taken.

Enforcement/Reporting

Violations of the Code will be dealt with by the appropriate employing/appointing organization (e.g. the parish, the religious order, the diocesan bishop) in accordance with Civil Law and this Diocesan policy. Penalties may take various forms ranging from counseling to removal from ministry. Violations of this Code must be reported immediately to the appropriate parish, diocesan or civil authority. Allegations of sexual misconduct by priests, church employees, or volunteers must be

reported to the local authority (e/g. Police or Sheriff Department, County Child Protective Services). In the cases involving priests or religious, the Office of the Chancellor of the diocese (510-267-8334) will be notified. In cases involving other employees or volunteers, the Office of Human Resources (510-267-8359) will be notified. The Diocese of Oakland is committed to addressing allegations of sexual misconduct by priests, church employees and all in ministry, observing the prescriptions of civil and canon law. The diocese has made a commitment to assist victims of sexual misconduct and to cooperate fully with public authorities investigating such allegations.

Implementation

Additional policies and procedures may be adopted and enforced by the various ministries, parishes, institutions and departments within the diocese. Such policies must be congruent with the spirit and policies contained within this Code, and must be approved in advance by the Chancellor of the diocese or designee.

School Mission

School Mission Statement

Catholic Schools in the Diocese of Oakland educate children in the Catholic faith and nurture their minds, bodies, and souls, inspiring them to live the Gospel of Jesus Christ, achieve their highest academic and creative potential, and actively serve and enrich the community.

Philosophy of Education

We, the Saint Clement Catholic School Community, believe Catholic education is one of the most important ways by which The Church fulfills its commitment to recognize the dignity of each person and to build a Catholic Christian community. We hear in Jesus' words, "I have come that they might have life and have it to the full," (John 10:10) and we challenge to provide the best education possible for our children. We are dedicated, therefore, to work with parent(s)/legal guardian(s), the students' primary educators, to see that each child develops his or her spiritual, intellectual, social, psychological, and physical abilities. By integrating the truths taught by Christ, we establish a school climate that provides the students with instruction and experiences that will allow them to accomplish Saint Clement's Pillars and Student Learning Expectations (SLEs) of FAITH, COMMUNITY, and EXCELLENCE.

Statement of Faith

"To be communities of faith in which the Christian message, the experience of community, worship, and social concern are integrated into the total experience for students, their parents, and the members of the faculty." – Sharing the Light of Faith – National Catechetical Directory

School History

Saint Clement Catholic School, located on Mission Boulevard in the city of Hayward, California, is one of the 45+ schools in the Diocese of Oakland. The groundbreaking ceremony for SCCS was held on February 23, 1958. The Sisters of St. Joseph of Wichita opened the school in August with the first through fourth grade classrooms, teachers' room, and an office. The formal dedication took place in October 1959 under the guidance of Sister Mary Sheila, C.S.J., principal and two lay teachers. Rev. T.J. Tillman was pastor. The following year, four new classrooms for grades 5 through 8, a hall, the convent, and an administration wing were added. Over the years, the school has continued to thrive and expand with the wonderful support of parents, the Saint Clement Parish and the school staff.

School Sponsorship and Affiliation

The Congregation of Holy Cross started its 21-year service to Saint Clement Catholic parish and school in 1980. With the addition of Holy Cross and its commitment to Catholic education, the parish and school began to function as a team. In June 2001, the Congregation of the Holy Cross withdrew from Saint Clement Catholic parish and school, but it opened up the opportunity for collaboration between pastor and principal.

Admissions

Admission Philosophy and Guideline

Saint Clement Catholic School is a discipleship Catholic school with the emphasis being mentoring and training students to change their world, both protected and “anchored in faith, community, and excellence” in all that they do. We believe this type of school offers the greatest opportunity for teaching spiritual truths to individual students and seeing growth as believers and achievers. Students who wholeheartedly apply themselves and “study to show [themselves] approved by God” (2 Timothy 2:15) will offer the highest potential of testimony to the community and the highest potential for evangelism on the part of the students and the school.

Cooperation between the parent(s)/legal guardian(s) and school is so important that SCCS reserves the right to remove a child based on the student(s) and/or parent(s)/legal guardian(s) family conduct and action. It truly takes a village to raise a child, and we aim to ensure the safest, most collaborative, and best village for our students in the years to come.

Registration

It is the goal of Saint Clement Catholic School to educate children of Catholic families. Registration means that the family is willing to comply with the programs and policies of the school and actively participate in the activities, which support the school in its programs and philosophy. Catholic schools are a primary means of Catholic education. The Catholic school is to assist Catholic families in the formation and education of their children in the Catholic faith, Gospel values, and traditions.

Application Process

Parent(s)/legal guardian(s) who wish their children to attend SCCS can pick up the necessary registration application from the school office. Testing for the following school year takes place in February or on an “as needed” basis. Consideration is given as to whether or not it is believed that SCCS can meet the educational needs of a student.

All new students are accepted on academic and behavioral probation for the first year.

Priority of Acceptance

Students applying for grades TK-8 who have exhibited academic and social readiness and have submitted a favorable report from their previous school will be accepted in this order:

1. Siblings of students presently attending Saint Clement Catholic School.
2. Students whose families are registered and active parishioners, who regularly attend Mass at Saint Clement. Family registration must be on file in the Saint Clement Parish Office.
3. Catholic students from outside of the parish.
4. Other students who by their behavior and attitude demonstrate an acceptance of the Saint Clement Catholic School philosophy.

****As long as space is available, no qualified student will be denied admission to this school on the basis of race, sex, color, or ethnic origin.****

Entrance Requirements

- Minimum Age
 - To be admitted into our Transitional Kindergarten program, a child must turn four by the first day of instruction.
 - To be admitted into Kindergarten, a child must turn five on or before September 1st of the incoming school year.
 - To be admitted into the first grade, a child must be six years old on or before September 1st of the incoming school year.
 - Where a child has been legally enrolled in another school, s/he may be admitted to the school and placed in a lower grade, more age-appropriate, at the discretion of the admitting school. The applicant must demonstrate (through an evaluation procedure) that academically and socially, the placement is appropriate for them.
- New Student Testing - All prospective students (TK-8) are interviewed and tested to determine their academic readiness, achievement, and aptitude with the curriculum, as well as show social readiness within the guidelines of our school philosophy, compared to the students currently enrolled at SCCS. When there is question, students may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing (ie. when mandatory summer school has been stipulated). The criteria of evaluation shall be established in consultation with the appropriate teacher(s)/administrative personnel.
- Records at Entrance - Requirements for students entering school for the first time are required to bring a birth certificate, baptismal record (if applicable), and record of state-required immunizations.
- Transfer Student Requirements - All financial obligations to the previous school must be current/up-to-date.
- Special/Exceptional Needs - Admission of transfer students with special/exceptional needs is dependent upon the school program's ability to meet those needs.
- Upon Acceptance - Parent(s)/legal guardian(s) enter into a contract with the school regarding the payment of tuition and other fees.

Withdrawal

Parent(s)/legal guardian(s) may withdraw their students at any time. If a student is not returning to SCCS, parent(s)/legal guardian(s) should notify the school in writing. Because it is often not possible to replace departing students with mid-year admissions, enrolling a child in our school commits the parents to pay the full annual tuition regardless of whether the student voluntarily or involuntarily departs from our school.

Registration and Development fees will not be refunded.

Recommended Transfer

Students clearly unable to profit from the school by reason of ability, serious emotional instability, repeated uncooperative or destructive behavior, or the repeated uncooperative or destructive attitude of parent(s)/legal guardian(s) will be asked to transfer when:

- The school has utilized all means available to meet the needs of the child, and are unable to meet their needs.

- There has been sufficient discussion with the parent(s)/legal guardian(s) concerning the child's behavior/educational needs or the parent(s)/legal guardian(s)' attitude.

****Saint Clement Catholic School accepts students entering transitional kindergarten (TK) through eighth grade upon completion of registration requirements and availability, based upon student enrollment numbers. These requirements may include readiness and/or achievement tests, a review of the student's previous records, remaining "up-to-date" on all school fees, and providing evidence that the parent(s)/legal guardian(s) share in the goals of the school based upon its philosophy and purpose.****

Tuition and Fees

All payments must be made through FACTS Tuition Management. Payments are processed on the 5th/20th of each month or on the following business day if the 5th/20th falls on a bank holiday or weekend. Payments WILL NOT be accepted by the office, unless full tuition is being paid.

A \$30.00 late fee will be added for all late payments.. A \$30.00 return bank fee will be added for all return payments.

Eighth grade families are required to have all contractual obligations met by **May 11, 2020**, regardless of tuition schedule.

Schedule of Payments

Tuition may be paid as follows:

- One-time payment before **June 30, 2019**.
- Three equal payments: **July 5, 2019, November 5, 2020, March 5, 2020**
- 12 monthly payments: beginning **July 2019 through June 2020**

The school reserves the right to do any of the following with regard to the payment of past due accounts for which no payment arrangements have been made:

- Deny a student enrollment for the 2020-2021 school year.
- Withhold report cards.
- Deny a graduating student participation in graduation ceremonies and/or withhold a diploma.

Tuition Assistance

Families may apply for financial aid through FACE, private scholarship funds such as BASIC and Independent Scholarship Fund, or through the SCCS Tuition Assistance Program (TAP). Requirements are based on income and/or extenuating circumstances. Application to the Diocesan Elementary School Family Aid for Catholic Education (FACE) program is encouraged, when applicable. Each school receives applications for FACE tuition assistance in the spring, for the following school year. Please contact the FACE office with any questions.

Forms are available in the school office and must be filled out on/before the required date. Please read through our registration packets for more information. If extenuating circumstances develop during the school year that necessitate reassessing your financial needs, you are encouraged to contact the principal.

Tuition Delinquency

1. If payment becomes **FIFTEEN (15) DAYS PAST DUE**, a reminder letter is mailed to the delinquent party. A late charge of \$30.00 is automatically added to the account. Late payments **not** including the \$30.00 late fee will be returned to the party for complete payment.
2. If payment becomes **2 MONTHS PAST DUE**, a letter is mailed requesting immediate attention and payment. Payment of the account or notification of inability to pay must be received by Saint Clement Catholic School within FIVE (5) working days of the date of mailing. If this does not occur, the principal and/or pastor will contact the delinquent party and arrange for payment.

****The Diocese of Oakland maintains that schools are not obligated to keep families in the school who are seriously behind in payment.****

3. No child will be able to re-register for school the following year, nor will 8th graders be allowed to participate in 8th grade activities if the previous year's tuition, Extended Care fees, and/or parent hours have not been completed.

Optional Insurance

Student Accident Insurance coverage is optional, although encouraged. The Diocese of Oakland has an insurance policy in place that covers every child enrolled in school. When a child is injured and needs medical attention, parent(s)/legal guardian(s) should request a form from the office within five (5) days. The policy covers injuries incurred while going to, coming from, or participating in school supervised activities. After the school fills out its portion of the claim forms, the doctor must complete the required information, and parent(s)/legal guardian(s) must mail the form to the insurance company. A description of coverage is provided annually at the beginning of the school year. Our policyholder is:

Academics

Curriculum

Curriculum development is the responsibility of the principal and faculty following the approved Diocesan guidelines.

- **Grades K-5 Subjects** - The subjects to be taught in elementary schools in the State of California are: language arts (including reading, writing, spelling, vocabulary, grammar, speaking, and listening), mathematics, social studies, science, and “enrichment classes”, such as: art, music, physical education, and Spanish. Religion is part of each student’s daily curriculum at SCCS and is not an enrichment class.
- **Grades 6, 7, and 8 Subjects** - The departmentalized subjects for Junior High are: language arts, literature, math, social studies, science, and the above-mentioned enrichment classes. Religion, a core class, is taught daily.
- **Religious Education** - Religious instruction is an integral and continuing element of the educational experience of each student. Students are taught the fundamental principles of our Catholic faith. They attend Mass every Wednesday. Each child is afforded an opportunity to grow in the knowledge of Christ through study of Scripture, participation in liturgy (especially the Mass and the Sacraments), and a realization of the importance of prayer and service. Members of the parish staff act as consultants, resources, and support, when needed. School and parish members are under the direction of the parish and organize sacramental programs. The Gospel is part of each one’s daily living; although we accept and respect all beliefs, we uphold the values and principles as a Catholic school.
 - Family Life/Christian Sexuality - The Oakland Diocesan Catholic Elementary School Program in human sexuality is a part of the educational program planned for each student. The integration of Catholic values in human sexuality occurs, as appropriate, throughout the entire curriculum.
 - Liturgy - Classes plan and participate in school liturgies with the support of the parish staff, including special school Masses and prayer services. Parents, as students’ primary religious educators, are blessed with the responsibility of giving their children a good example through regular Sunday worship. Weekend attendance at liturgy is strongly encouraged. Students in Grades 4 - 8 are encouraged to participate as altar servers.

Our expectation is that non-Catholic students participate in Religion classes and related religious activities.

- **Field Trips** - Field trips are an integral part of our school program, as they provide an added dimension to the curriculum. It is our hope that parents will show their interest and appreciation for these planned excursions by acting as chaperones and providing transportation when needed. Siblings are not allowed on field trips, as they are not covered by the school’s insurance. The principal must approve all school-sponsored field trips. Participation in field trips is a learning experience, as well as a privilege, and attendance is required as for any other school day.
 - For each field trip the following information should be available:

- Students will not be permitted to go on any field trips without a signed written permission slip from the parent(s)/legal guardian(s). The teacher will give out the forms before a field trip takes place.
- Driver responsibilities (e.g., follow planned route, do not make extra stops, dress appropriately, no use of any alcohol at any time;): All drivers must be fully licensed, insured (\$100,000 -\$300,000 liability) and 25 years or older (the Diocese of Oakland sets the standards for this). Current copy of insurance and driver’s license must be on file before the day of the event.
- All parents/chaperones going on field trips are required to take the Safe Environment training online through VIRTUS: <http://www.oakdiocese.org/offices/safe-environment> or at a diocesan-mandated workshop. A certificate of completion must be on file before day of the event

Diocese of Oakland Grading Scale

As required by the Diocese, grades K-5 utilize the Standards-Based Grading/Reporting system. Grades 6-8 (Junior High) utilize traditional letter grades.

K-5 Standards-Based Grading:

4 - Advanced/Performing at Exemplary Level
 3.5 - Exceeds Mastery
 3 - Proficient/Mastery (Expected Level of Performance)
 2.5 - Approaching Mastery
 2 - Developing an understanding
 1 - Needs Improvement

Junior High Grading:

A = 95 - 100%
 A- = 90 - 94%
 B+ = 87 - 89%
 B = 83 - 86%
 B- = 80 - 82%
 C+ = 77 - 79%
 C = 73 - 76%
 C- = 70 - 72%
 D+ = 67 - 69%
 D = 63 - 66%
 D- = 60 - 62%
 F = BELOW 60

All report cards, whether standards based (grades K-5) or traditional letter grades (grades 6-8) are calculated with 100% summative assessment scoring, according to Diocesan guidelines.

Homework

Homework allows students to practice, integrate, and reinforce their classroom learning. All assigned homework is related to instructional objectives and/or content standards. Homework is not counted in the student’s academic grade, but is reflected in their Life Skills grade. Actual time required to complete assignments will vary with each student’s study habits, academic skills, and selected course load. Independent reading assignments are in addition to assigned homework.

Suggested homework time:

Grades K, 1 and 2	15-30 minutes
Grades 3, 4 and 5	30-50 minutes
Grades 6, 7 and 8	60-90 minutes

The general homework policy/expectations are:

- Students are expected to bring their completed homework to class on the day and time it is due. It is the student's responsibility to make up all work missed on days they were absent. ****Students will have up to two days to complete makeup work upon their return after an excused absence.****
- Late/incomplete homework assignments will directly affect students' Life Skills grade.
- If a student is continually not completing homework, teachers will request a meeting with the parent(s)/legal guardian(s) and student to develop a plan to best support the student.

Academic Progress

- **Academic Honesty/Dishonesty** - Honesty is expected of students in the performance of all academic work. Cheating, plagiarism (such as, but not limited to, copying or sharing the work of another and submitting it as one's own), or doing another person's homework assignment(s)/assessment(s), are all forms of academic dishonesty. Anyone who violates the policy of academic honesty may immediately receive a failing grade and have to redo the assignment/reassessment on their own time (Grades 6-8: Study Hall) to show they are meeting the standards/have mastered the skill(s). Academic dishonesty may lead to other disciplinary procedures, such as suspension, academic probation/contract, and even expulsion.
- **Ongoing Communication** - There should be ongoing communication between teacher(s) and parent(s)/legal guardian(s) regarding students' academic progress.
 - Grades K-5: Teacher(s) will provide reassessments as needed to ensure that students are satisfactorily meeting grade level standards.
 - Junior High (Grades 6-8): Teacher(s) will notify parent(s)/legal guardians if a student has the opportunity to reassess, via a reassessment form.
- **Assessments** - Teachers will assess all learning standards in two ways:
 - Traditional Assessments: multiple-choice, essay/short answer, true/false, etc.
 - Project-Based Assessments: posters, presentations, models, etc.

****If a student is absent during a summative assessment, they are expected to take the assessment within two days of their return. In grades 6-8, it is the responsibility of the student to schedule a make-up assessment with the teacher(s).****

- **Reassessment Policy (Grades 6-8)**

Per the Diocese of Oakland's Standards-Based Grading Policy:

- Students may reassess on summative assessments if their score is below 70%.
- To qualify for a reassessment, students must:
 - Complete the reassessment form
 - Choose the activity which best prepares them for the reassessment
 - Meet with the teacher to discuss the due dates for both the activity and reassessment
 - Parent(s)/legal guardian(s) must sign the reassessment form
- Only one reassessment is allowed per assessment
- The reassessment must be in the same format as the original assessment
- The highest score students can receive on a reassessment is 70% which is a level 2 standards-based proficiency

- **Progress Reports -**
 - Grades K-5:
 - Teacher(s) will provide a printed progress report to send home halfway through each trimester.
 - Junior High (Grades 6-8):
 - Teacher(s) will provide a printed progress report to send home halfway through each trimester.
 - All subject-specific teachers will email parent(s)/legal guardian(s) when a student's grade falls below a C- (69% and below), at any point during the trimester.
- **Report Cards -** Report cards and STAR testing results are sent home at the end of each trimester, informing parents about their student's academic progress.
****Parent(s)/legal guardian(s) must sign and return the report card envelope after receipt of Trimester 1 and Trimester 2 report cards/STAR testing results. All report cards/STAR testing results are for parent(s)/legal guardian(s) to keep for their records. Report cards/STAR testing results for Trimester 3 are mailed home after the last week of school.****
- **PowerSchool -** PowerSchool, an online grading/reporting system for both assignments and assessments, has been set up for our community. Parents of grades 6-8 students are highly encouraged to continuously monitor their child(ren)'s academic progress through PowerSchool. All parent(s)/legal guardian(s) have access to PowerSchool via their own username and password.
- **Standardized Testing -** The Diocese of Oakland School Department requires certain standardized testing. SCCS has adopted the Diocesan mandated STAR testing program, an online standardized test that caters to the needs of each student by calibrating test questions to students' answers. STAR testing assesses our students in Math and Reading, and is administered four times a year. Baseline testing is administered in August/September, and testing is completed at the end of each trimester to measure student academic growth. Standardized testing scores are used as a diagnostic tool to effectively adapt academic programs to meet the strengths and needs of their current class.
- **Conferences**
 - **Scheduled by school -** Conferences will be held in October in order to meet with teachers prior to report cards. Parent and Teacher Conferences are held for Grades TK-3, and Parent, Teacher, and Student Conferences are held for grades 4-8.
 - **Requested by parent(s)/legal guardian(s) -** Parent(s)/legal guardian(s) desiring conferences other than the October conferences, must contact the teacher to arrange an appointment. Teachers are unable to honor unannounced visits. Any matter involving a student's work or behavior must be communicated with the teacher, the Grade-Level Team Leader, or Vice Principal before communicating with the Principal. Teachers may also contact the parent(s)/legal guardian(s) to request additional conferences regarding a child's work or behavior.
 - **Principal Conferences -** Parent(s)/legal guardian(s) desiring a conference with the Principal are asked to contact the Principal or school office to arrange an appointment.

Academic Awards

- Students in grades 4-5 may receive Effort awards according to the criteria below
- Students in grades 6-8 may receive Effort, Honors, or Excellence awards according to the criteria below
 - Awards Criteria
 - Effort - Students who go above and beyond to make progress and improvement in their academic achievement by demonstrating their personal best.
 - Honors - Students with a grade point average of 3.5 to a 3.74 in all core subjects and a “Meets Expectations” in all Life Skills standards. Grades in all enrichments classes must be a B- (80%) or above.
 - Excellence - Students with a grade point average of 3.75 or above in all core subjects and a “Meets Expectations” in all Life Skills standards. Grades in all enrichments classes must be a B- (80%) or above.
 - Core subjects include religion, language arts, literature, math, social studies and science.
 - Grade point averages are computed by the Diocese, not by the school.

Learning Support Coordinator

We have a Learning Support Coordinator (TK-8) on site every day. Her job is to oversee, as a case manager, all student special/exceptional needs and services in TK-8 and meet with staff and parents to discuss strategies for academic success.

Special/Exceptional Needs

We are committed to providing students with an opportunity for learning at their instructional levels through a variety of modalities, using a student’s personal strengths to demonstrate academic growth. Our Special/Exceptional Needs Program:

- Identifies students with special/exceptional needs
- Initiates outside formal assessment, as needed
- Monitors progress of individual students
- Uses the Student Success Team Process (SST)
- Develops and implements intervention strategies to meet the learning needs of individual students
- Provides classroom support
- Provides accommodations and modifications specific to the needs of individual students
- Provides information, resources and support to staff, students, and their families

Student Success Team (SST)

The SST is a systemic problem-solving approach to assist students who are experiencing academic difficulties that inhibit their academic success at school. The SST combines the effort, knowledge, and expertise of all of its members: teacher(s), administrators, parent(s)/legal guardian(s), student, support staff, outside professionals working with students, and our Learning Support Coordinator. **Please note: All referrals for special/exceptional needs support must be initiated by the classroom teacher.**

Accommodations and Modifications

Accommodations and modifications are based on individual student needs, determined through the SST and/or by formal assessment. All teachers are required to provide accommodations and modifications based on what has been determined through documented, Diocesan Exceptional Needs procedures or from documentation shared with the school by parents/doctors.

- Accommodations are changes in HOW a student learns/demonstrates understanding. Accommodations make it possible for students with learning challenges to access grade level/common core curriculum. They provide different ways for students to take in information or communicate their knowledge to the instructor. Accommodations DO NOT fundamentally alter or lower the standards or expectations of the curriculum/standard/test.
 - Some examples of accommodations are: break learning activities into smaller steps, clarification of verbal and written directions, note-taking assistance, shortened assignments and tests/quizzes, alternate forms of assessment to evaluate student learning, assistance with study skills, organization and long-term planning of assignments, extended time.
- Modifications are changes in WHAT a student is expected to learn. Modifications refer to changes made to curriculum expectations in order to meet the needs of the student. Modifications are made when the grade level expectations are beyond or below the student's level of ability. Modifications are changes in delivery, content, or instructional level of subject matter or test. There must be an official diagnosis on file by a licensed doctor, therapist, etc., plus, parent agreement/signature to activate a modification(s).
 - Some examples of modifications might include: rigor change to match ability, varied materials used and expectations accomplished, additional report attached to each trimester report card, calculator/multiplication chart use, increase/decrease the number of objectives the student must meet.

Academic Promotion and Retention

- **Promotion** - Advancement to the next grade is based on a student's daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level. Promotion to the next grade depends on the successful completion of the course of study for all subject areas. The Administration may recommend the repetition of a grade (K-2 students only), tutoring, or summer school classes as a requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade. Advancement of students with exceptional needs, like all students, depends on the successful completion of the course of study for all subject areas. This course of study may include modifications if the student has an ILP (Individualized Learning Plan) and a modified curriculum is developed in consultation among the Principal, teacher and parent(s)/legal guardian(s). The parent(s)/legal guardian(s) of a student who is in danger of not graduating because of documented academic or ongoing behavioral issues must be notified as soon as possible, but not later than the end of the second (2nd) Trimester. Prior approval of the Superintendent is required before participation in graduation exercises is denied.

- **Transfer** - Students may also be transferred to the next grade, which means that after consultation between the school and home, a child is being moved to the next grade, but they have not mastered the appropriate grade level standards in the core content areas. Transfers may only be done with prior consultation and approval from the Department of Catholic Schools and written acknowledgement by the family that they understand the difference between promotion and transfer.
- **Retention** - Retention is only appropriate, for developmental readiness reasons, in grades K, 1, and 2. Beyond these grades, it should not be considered without an extraordinary reason, and, only after consultation with the Superintendent. Both parent(s)/legal guardian(s) and teachers must consider the necessity of providing special assistance (e.g., tutoring, summer school, etc.) to the student in question or of directing the student toward some alternative program, which could better serve the needs of the student. All options for support at school and at home should be explored through a collaborative SST process using the forms and protocols detailed in the “Diocesan Guide for Serving Students with Special/Exceptional Needs”. If, in the teacher’s judgment, retention is probable, the principal must be notified, and arrangements must be made for a conference with the parent(s)/legal guardian(s) no later than mid-school year (January). Prior to this conference, the teacher and principal are to meet to discuss the reasons for possible retention, as specified in the Diocesan guidelines.

Diocese of Oakland Technology Responsible Use Policy Students and Parents

Introduction

The Diocese of Oakland recognizes the various ways, both positive and negative, that students and parents can use technology both in school and at home. Our objective is to fully prepare students to use the resources available in ethical, constructive, productive and intelligent ways as Christian citizens in a global community. While using technology, students are expected to:

1. Treat others with respect and compassion in all interactions, including online communication
2. Care for school devices and systems, and not vandalize or intentionally damage them in any way
3. Respect others privacy and work, by protecting and not sharing or using passwords, messages, photos, recordings, or personal information of someone without their permission
4. Use school technology resources for educational purposes only
5. Use personal technology only as directed by staff while at school

Students are expected to abide by this code of conduct anywhere or anytime their actions can affect the school or other students. While the school is not responsible for policing online activity, conflicts online between students, parents, or staff rarely stay online; the school is notified when such conflicts affect the wellbeing of members of the school community. Students and parents who use technology in ways that are contrary to our mission will face disciplinary action, up to and including expulsion.

Jurisdiction and Definitions

While using technology, students are expected to comply with the code of conduct published in the school's parent-student handbook. The school's jurisdiction with respect to conduct includes:

- When the student is on school grounds, or on the way to or from school
- At officially sanctioned school-sponsored events, or on the way to or from such events
- Outside of the school when a student's actions negatively impact another student, staff member, or the school

Parents are also expected to abide by the code of conduct found in the school's parent-student handbook, to the extent that their technology use affects other members of the school community.

For purposes of this document, "technology" includes, but is not limited to:

- Hardware: computers, servers, tablets, e-Readers, phones, smartphones, digital cameras, gaming devices, wearable devices, networking equipment, or accessories
- Software: operating systems and programs
- Services: email, web sites, web apps, learning platforms, internet service
- Telecommunications: transmission or publishing text messages, chat room commentary, comments, pictures, videos, audio recordings, posts on social networking sites, blogs, wikis, gaming, chats, and other digital transmissions.

"Personal information" includes a person's name, address, email addresses, phone numbers, online accounts, or other contact or identifying information.

Technology Responsible Use Agreement

As a member of the school community, I agree to the following rules and code of ethics:

1. I will treat others with respect and compassion in all interactions, including online communication. I will treat others kindly in all communications, including “private” messages. I will not publicly disparage the school, staff, students, or other members of the school community. I recognize that anything sent using technology can be copied and saved forever online.

I will not transmit inappropriate material to others via messages, social media, or other ways. Examples of inappropriate material include messages or images that are intentionally insulting, sexually explicit, racist, sexist, use foul language, depict alcohol or drug use, or include graphic violence. Such material usually upsets other students and is brought to the attention of teachers, even when sent outside of school.

2. I will care for school devices and systems, and not vandalize or intentionally damage them in any way. This includes hardware, software, and internet services owned, provided, or supported by the school. I will not waste school resources like paper or ink.

3. I will respect others privacy and work, by protecting and not sharing or using passwords, messages, photos, recordings, or personal information of someone without their permission. I will not attempt to log into any device, program, or service as another person. I will protect and respect others work: for other students, I will not attempt to alter or delete their work without permission. For creators who have shared their work online, I will respect copyright, abstain from piracy, and avoid plagiarism.

4. I will use school technology resources for educational purposes only. I will stay on task during classroom activities using technology. I will not use school devices, software, or systems (like wifi) for non-school purposes like chat, gaming, playing music or watching videos. I will not use school resources for any commercial enterprise. I will not search for material on the internet that is illegal or inappropriate for school, and if I encounter such material accidentally I will not pursue it.

5. I will use personal technology only as directed by staff while at school. I will only use my personal technology (including devices and internet service) at school if allowed by the school and staff. If permitted, I will use my personal technology only for educational purposes. I understand that my personal technology is still governed by this Technology Responsible Use Policy and/or the school’s BYOD (Bring Your Own Device) policy. The school will not be responsible for the security, troubleshooting, charging, or repair of personal devices.

Any user who violates the Responsible Use Policy or local, state, or federal law, faces the restriction or loss of technology privileges, disciplinary action, and may face legal prosecution. Parents may be held financially responsible for any student action that results in damage to school technology or a cost to the school.

Coalesco Music Program

Coalesco Music Program is a performance band/instructional program offered to grades 3-8 students after school. Parent(s)/legal guardian(s) contract with Mr. Allen Del Rosario for this program.

Study Hall for Junior High Students

The Junior High staff facilitates Study Hall from 3:30PM-4:15PM on Tuesday and Thursday, after school..

SAFE Environment and Second Step Curriculum

Mandated by the Diocese, the Safe Environment Curriculum used is entitled “Circle of Grace”. The curriculum for conflict resolution and social skill development is entitled “Second Step”. Both curriculum is taught in all grades and is age-appropriate.

Attendance

Regular attendance is a critical component for success in school. When students are absent from school, it is important to follow the proper guidelines for the absence and take responsibility for appropriate re-entry into school. Absences in the following categories will be handled as indicated:

- **Excused Absences** - In order for an absence to be excused for any reason, the parent(s)/legal guardian(s) must notify the school. The office must receive a telephone call or email the day of the absence, no later than 9:00AM, to excuse the absence. If the parent(s)/legal guardian(s) is unable to call/email on the day of the absence, the student is required to present a written excuse stating the reason for their absence and signed by the parent(s)/legal guardian(s). Once the note is received by the school, the student's absence will be marked as "Excused" in PowerSchool. In the case of a prearranged absence, the office should also be notified. Arrangements will need to be made with the child's teacher for school work that will be missed.

An "excused absence" is not necessarily excused from the "days absent" or "times tardy" category. The only exception for an excused absence not to count in these categories would be occasional and unavoidable medical appointments (e.g. doctor, dentist, orthodontist), with a medical note. Excused absences only guarantee consideration for makeup work. Parent(s)/legal guardian(s) may respectfully disagree regarding the legitimacy of an absence when weighed against the benefits of attendance. However, the final decision as to whether an absence is considered "excused" or "unexcused" rests with the school administrator.

- **Unexcused Absences** - Any absence for which the school does not receive appropriate notification will be unexcused. There will be no allowances made for missed work if an absence is unexcused.
- **Excessive Absences** -
Excessive absence is being absent from school for six (6) or more days in a trimester or eighteen (18) days per school year.

When a student arrives after morning recess, they will be marked as a half-day absence. Excessive absences, even if necessary and excused, will necessitate a meeting with administration to develop a plan for regular attendance and makeup work.

- **Truancy** - California has a compulsory education law, which requires that children between the ages of six and eighteen must attend school. We are required to abide by this law as a private, accredited educational institution. Truancy is reserved for students whose absences are not related to medical issues that have been documented by a note from a doctor. Parent(s)/legal guardian(s) will be contacted as soon as the school becomes aware of a student's truant status. If all methods of communication with the parent(s)/legal guardian(s) have been unsuccessful in resolving the truancy, the

Principal, in consultation with the Superintendent, may contact their local County Office of Education (Alameda/Contra Costa) and ask for assistance from their school attendance review board (SARB).

- **Extended Absences -**

- Due to illness: If students are absent for an extended period of time due to illness, a medical note must be provided stating the reason for the absence, dates of the absence, and include a doctor's signature.
- Planned vacations: If students are absent for an extended period of time due to a planned vacation, a two-week notice to administration, the homeroom teacher(s), and the office is required.
 - Parent(s)/legal guardian(s) are discouraged from taking children out of school for vacations as it is difficult to make up the missed work without putting a burden on the teacher(s) and the child. Teachers are not obligated to dedicate extra time to either planning early, or evaluating late, or modified assignments. The final decision regarding taking a student out of school rests with the parent(s)/legal guardian(s), but note that there will be an interruption in learning.

- **Makeup Work During Absences -** If a child is absent and you are requesting their schoolwork, you must call the office no later than 9:00AM for pick up of the missed work at the end of the school day. Homework requests will be delivered to siblings in other grades or can be found in the school office at dismissal. After the 9:00AM request deadline, there is no guarantee that homework will be ready for either after school or dismissal pickup.

- **Tardies -** If students arrive at school at 8:16AM or later, they will be considered tardy. Late students will receive a tardy slip from the office before entering class or going to Mass. On Wednesdays, if students are tardy, they must be dropped off at the office to receive their tardy slip; a staff member will then escort them to the church.
 - The tardy slip must be filled out, signed by a parent, and returned to school the next day.

Parents will be contacted after the fourth tardy in one trimester. ***If excessive tardies persist in one trimester, this will result in a tardy contract and either a fee of \$10.00/tardy moving forward (money taken out of FACTS) or additional parent hours.***

Diocese of Oakland Positive Home & School Partnership Policy

All schools in the Diocese of Oakland are intended to be environments that educate, nurture and support students according to basic Catholic principles. Everyone involved in the development of children and youth – teachers, administrators, parents, family and friends – is required to behave in accordance with these principles. These Catholic principles include but are not limited to the following:

1. Parents, guardians, family members, childcare providers and friends (including but not limited to grandparents, stepparents, siblings) are expected to work courteously and cooperatively with the school in all areas of the school and student life. This principle is intended to broadly apply to all on and off campus behavior that affects the school in any way.

2. Students, parents, guardians and family members may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive and must use appropriate channels of communication to raise these concerns. Appropriate channels of communication include contacting the teacher or the principal directly by phone or email. Inappropriate channels of communication include posting information on Facebook or similar social media, using the school's contact list to email or text others. Such channels of communication are considered divisive and not designed to lead to a resolution of the issue in the most respectful and Christ-centered manner.

3. A parent with concerns regarding the behavior of another student must direct their concern to the classroom teacher or principal, not to the child or the child's parents.

Parents, guardians or other responsible adults who violate these Catholic principals may be asked to withdraw their student from the school. Conduct that materially disrupts class work or extracurricular activities or that involves substantial disorder will not be tolerated. These expectations for students, parents, guardians or other responsible adults include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.). The School reserves the right to determine, in its discretion, when conduct is of such a nature as to warrant any action including asking that the parent withdraw his/her student(s) from the School.

It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Catholic principles of the school, as determined by the School in its sole discretion.

Diocese of Oakland Student Discipline Policy

Students should be instructed that their actions and attitudes should reflect a Christian ethic and that their behavior should be in accordance with the moral and religious expectations as outlined by each school in its philosophy and goals. Discipline in the Catholic school is to be considered as an aspect of moral guidance and not a form of punishment. The purpose of discipline is:

1. To provide a classroom situation conducive to learning.
2. To educate students to an appreciation of the importance of developing responsibility and self-control.
3. To build a sense of Christian community.

Evidence of Discipline - Discipline is to be attained in a classroom or school when students work cooperatively with the Principal, teachers/staff, and their peers toward the attainment of class and school objectives.

Maintenance of Discipline - Effective discipline is maintained when there is:

1. Respect for the learning rights of each student.
2. An appropriate atmosphere conducive to learning.
3. Positive correction.
4. Reinforcement of desirable conduct.
5. Firm, kind, and fair treatment of all children.
6. Avoidance of undue regimentation.
7. Avoidance of all corporal punishment.
8. Evidence of self-motivation for learning.
9. Evidence of desire for self-discipline.

Suspension Policy - Suspensions should be used when other means of correction fail to bring about proper conduct, or for serious misconduct or for investigations of serious misconduct.

- Out-of-school suspension is an acceptable disciplinary measure but, when possible, in-school suspension is preferred. No student shall be suspended from school for more than five (5) school days at a time unless exceptional circumstances exist, such as to complete an investigation when the student's return poses a threat to the safety of others. The student must be given the opportunity to "make-up" work that was given during the time of the suspension.
- Suspension Procedures -
 1. In cases where the absence of immediate disciplinary action (suspension) would pose a real threat to the health and welfare of another student, the students in general, or school staff, the Principal may remove the student from class, or the yard, etc. and contact the parent(s)/legal guardian(s) as soon as possible.
 2. In all other cases where suspension is necessary, but no real or immediate danger to the health and welfare of another student or the students in general or school staff exists, the following procedures should occur:

a. Notice: This is satisfied by telling the student that you are going to suspend him or her; informing him/her of what school rule or regulation has been broken; and indicating to the student, by way of reference to the rule, that such violation is a suspendable offense.

b. Evidence: This is satisfied by making the student aware of what information the Principal has which would lead the Principal to reasonably believe that a rule has been broken and that this student is the one who is responsible.

c. Opportunity to respond: This means an informal give and take between student and Principal. In other words, "Do you have anything to say?" etc., and listening to his/her side. Then, the Principal may make a decision to suspend based on the evidence and student's responses to the presentation of such evidence.

d. Parent(s)/legal Guardian(s) contact: It is always necessary to inform the parent(s)/legal guardian(s) of the procedures that have been followed, including a review of the steps listed above. Where possible, a parent(s)/legal guardian(s) might be included in these steps so that the parent(s)/legal guardian(s) is aware of the total situation prior to the decision to suspend. When this is not possible, a parent(s)/legal guardian(s) has an absolute right to be informed of the specifics of the procedure within a reasonable time thereafter.

e. A written record of the procedures followed in the case of the suspension (including the procedures followed after the fact in cases where immediate suspension is necessary) shall be kept in a file separate from the cumulative record folder by the Principal.

Expulsion Policy - Expulsion is an extreme but sometimes necessary disciplinary measure for the common good. Prior approval of the Superintendent is required before expulsion can take place.

1. The Following May Be Reasons for Expulsion:

a. Continued willful disobedience/consistent violation of school rules.

b. Open, persistent defiance of the authority of any school employee by student or parent(s)/legal guardian(s).

c. Habitual profanity or vulgarity.

d. Use, possession, or exchange, whether or not for sale, of tobacco, drugs or alcohol on or near the school premises or at school sponsored events.

e. Vandalism to school property.

f. Habitual truancy.

g. Assault or battery, or any threat of force or violence directed towards any school personnel or students.

h. Possession and/or assault with a deadly weapon and/or any object which can be used to cause harm to another.

i. Theft.

j. The verbal, physical, visual or sexual harassment, bullying or cyberbullying of any student, teacher or administrator.

● Procedures for Disciplinary Expulsion

A. Cases of Cumulative Disciplinary Difficulties

1. The Principal or his/her delegate shall arrange a conference with the student and the parent(s)/legal guardian(s) who shall be informed of:

a. The pattern of conduct, which at this time would lead the school to believe that expulsion, is being contemplated.

b. The evidence upon which this assessment is based.

c. The right of the student at this time to present a statement or information in support of being retained.

d. What specific courses of action or improvement in attitude will be sufficient in the school's view so that expulsion will not be necessary.

2. If adequate improvement is not forthcoming within a reasonable time:

a. A second conference with the student and parent(s)/legal guardian(s) shall be arranged by the Principal or his/her delegate. At this time the procedures outlined above shall again be followed (a through c). After this conference the Principal in consultation with the Pastor and Superintendent will make a final decision.

3. Written records of the various proceedings leading to expulsion must be on file.

B. Cases Involving Serious Offenses or Threats to Safety - In cases involving serious offenses or threats to safety which may include a possible criminal conduct or outrageous actions, the student is immediately suspended, the initial parent(s)/legal guardian(s)-Principal conference is dispensed with, and the process begins with the procedures outlined in paragraph 2 above. (In this case it would be a first conference with the parent(s)/legal guardian(s). This procedure should be followed where the continued presence of the student will, in the reasonable judgment of the Principal, pose a serious threat to the health and welfare of another student, or school personnel.

C. Right to Appeal - The parent(s)/legal guardian(s) may appeal the decision, first to the Principal, then to the Pastor, and later to the Superintendent. However, it is presumed that neither will overturn the decision if the established procedure has been followed and sufficient reason for expulsion exists.

Disapproved Disciplinary Measures

The following disciplinary measures are not allowed:

1. Corporal punishment.
2. Language which is sarcastic or calculated to bring ridicule on the student, his/her parent(s)/legal guardian(s), background, etc.
3. Sending a student to any place outside the classroom where supervision is absent.
4. Using religious actions or important class assignments as punitive measures.
5. Bizarre or unusual punishments.
6. Withholding or altering rightfully earned academic marks.

Student Conduct

Students are expected to conduct themselves in a manner that is honoring to God, themselves, their parents, and the school. This expectation applies to all student conduct, regardless of whether the students are in school or at school activities, as well as the time they are away from school. Students and parents understand that the school reserves the right to impose discipline including expulsion, based upon conduct, which occurs outside of the school. Expectations for general conduct that have been adopted are:

1. Students will always strive to do their best.
2. Students will show respect, courtesy, and kindness when dealing with others.
3. Students will show respect for their own bodies.
4. Students will show respect for the authority of all adults.
5. Students will show respect for all school facilities and the property of others.

6. Students will exercise the commandment of honesty.
7. Students will be representatives of their school in all situations.

SCCS Student Discipline Policy

Saint Clement School follows the Diocese of Oakland Discipline Policy. Disregard for, or violation of standards will be dealt with via a behavioral **Three Check-In** process for all students:

- **First Check-In:** Student meets with the teacher and completes a reflection form, teacher calls home, reflection form signed by parents and returned to teacher.
- **Second Check-In:** If issue persists, student meets with the Vice Principal and completes a reflection form, Vice Principal calls home, reflection form must be signed by parents and returned to Vice Principal.
- **Third Check-In:** If issue is not resolved after the first two check-ins, student, parent(s), and teacher, meet with Administration.

Offenses and Procedures

- Serious Offenses - When a student shows a lack of respect for adults, other students, school rules, or property, consequences will follow. These are examples of serious offenses:
 - Abuse of School Personnel
 - Any parent/legal guardian, or other person whose conduct in a place where a school employee is required to be in the course of his or her duties disrupts class work or extracurricular activities or involves substantial disorder is guilty of a misdemeanor which is punishable by a fine not exceeding one hundred dollars (\$100), by imprisonment in the county jail for a period of not more than ten (10) days, or both.
 - Every person who, with intent to cause, attempts to cause, or causes, any officer or employee of any public or private educational institution or any public officer or employee to do, or refrain from doing, any act in the performance of his/her duties, by means of a threat, directly communicated to such person, to inflict an unlawful injury upon any person or property, and it reasonably appears to the recipient of the threat that such threat could be carried out, is guilty of a public offense punishable as follows:
 - Upon a first conviction, such person is punishable by a fine not exceeding ten thousand dollars (\$10,000), or by imprisonment in the state prison, or in a county jail not exceeding one year, or by both such fine and imprisonment.
 - If such person has been previously convicted of a violation of this section, such previous conviction shall be charged in the accusatory pleading, and if such previous conviction is found to be true by jury, upon a jury trial, or by the court, upon a court trial, or is admitted by the defendant, s/he is punishable by imprisonment in the state prison.
 - As used in this section, ‘directly communicated’ includes, but is not limited to, a communication to the recipient of the threat by telephone, or letter.” Penal Code Section 71. Per the Acceptable Use Policy, this includes internet communication, as well.

- Inappropriate/Dangerous conduct: Actions with the intent to cause harm which may include but is not limited to fighting, wrestling, karate, kicking (whether personal injury is inflicted or not), throwing objects, threats, harassment (including any form of bullying) or any activity that threatens the **physical** or **emotional** well being of another is prohibited and is grounds for disciplinary action.
- Vulgar/Inappropriate language or racial slurs: Students are expected to use respectful language at all times. Use of vulgar or inappropriate language directed toward another (commonly known as “dirty language” or “cuss words”) and the use of racial slurs is not allowed. The incident will be investigated, parents will be notified, and students may be suspended the **first time** that an adult hears the student using inappropriate language directed toward another.
- Vandalism/Theft: Theft of personal or school property or the vandalism and defacing of school or personal property; students and their parent(s)/legal guardian(s) will be liable for all damage to equipment or school property caused by the student. It is the responsibility of the parent/legal guardian to pay for property damages not to exceed ten thousand dollars (\$10,000) due to willful conduct by the child. Grades, transcripts, or diploma will be withheld until the damages are paid.
- Leaving School Grounds: No student may leave the school grounds during school hours without the permission of the principal and written authorization of parents or legal guardian. SCCS is a closed campus. At no time during school hours are students allowed to leave school grounds, even during recess or lunch periods, except by previous arrangement. During the school day it is mandatory that your child be dismissed from the school office. For the safety of our students, all visitors no matter how brief the visit, must check in with the front office. The school assumes no liability in cases of violation of this policy. Once students have entered the school grounds they may not leave without permission. This includes students who have checked into Extended Care.
- Illegal Substances: The use, possession or exchange (whether or not for sale) of illegal and/or dangerous substances and/or items on or near school premises or at school sponsored activities, including but not limited to tobacco, drugs, alcohol, various types of inhalants, weapons, lighters, and matches is prohibited and is grounds for disciplinary action up to and including expulsion.

School Searches

Students’ legitimate expectation of privacy in their person and in their personal effects they bring to school must be balanced against the school’s obligation to maintain discipline and provide a safe environment for the school community. School officials may conduct a search of a student’s person and personal effects only upon a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule.

If school officials have a reasonable suspicion that the student has violated or is violating the law or a school rule, school officials do not need a warrant or permission from parents/guardians to conduct the search.

A “reasonable suspicion” may be established in many ways, including but not limited to personal observations, information provided by third parties or other students, or tips provided by law enforcement. An alert from a trained and certified detection dog is sufficient to establish a reasonable suspicion and serve as the basis for a warrantless search of the student’s person, locker, car, or personal property and effects.

Whenever a school official conducts a search of a student’s person or personal effects, an adult witness should be present. The school should notify the students’ parents/guardians of any search of a student’s person or personal effects.

Expectation of Privacy

A student does not own a locker or other school property. The school makes lockers available to the student. The student does have some expectation of privacy in his or her locker from other students. However, a student does not have a high expectation of privacy in his or her locker from the school and may not prevent school officials from searching the locker if the school official has a reasonable suspicion that the student has violated or is violating a law or school rule.

A student has a greater expectation of privacy regarding his or her person and personal effects. A school official who conducts a search of a student’s backpack, purse, clothing, cell phone, or other personal effects must have a reasonable suspicion that the student has violated or is violating a law or school rule. Generally, students should be asked to empty their pockets, purses, backpacks or other bags for inspection of the contents by school officials. Strip searches or searches that include a student’s underwear may only be conducted by law enforcement and may not be conducted by a school official.

Every student is subject to the Diocese of Oakland Technology Use Policy for Students and Parents. ([Technology Use Policy](#)) This policy concerns cell phones and other electronic devices, whether the devices belong to the student or the school.

Student Cooperation

If a student refuses to cooperate in a reasonable search of school or student property (including electronic devices), the school may call the student’s parents/guardians and/or the police for assistance or referral. ([6251 - Home School Partnership Policy](#))

Confiscating a Student’s Personal Property

If any of the student’s items are confiscated, the person in charge should document the confiscation and when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a written statement, signed by the student, acknowledging that the item was in his or her possession at the time it was found.

Anti-Bullying and Harassment Policy

All schools in the Diocese of Oakland are committed to providing a safe, nurturing learning environment that promotes Christian values and respects the dignity of each individual student entrusted to our care. All bullying needs to be reported to Administration immediately by students, staff, or parents that witness bullying. The incident/s need to be reported via the Bullying Report Form, found in the front office. We encourage all reporting to be discreet. As soon as Administration receives the reporting form, the incident/s will immediately be investigated. Results and information will be shared with the person reporting, to the degree that it is appropriate. Information will be shared with additional individuals, as needed. Confidential student information regarding the situation will only be shared with the student's parents. The Principal will inform the Diocese of any bullying incident which appears likely to involve a student suspension or lead to the involvement of local law enforcement or civil litigation.

Bullying and harassment stand in the way of our social vision and the gospel values of empathy and inclusion. Therefore, the Diocese of Oakland has adopted this policy to ensure that our schools prevent and respond to bullying and harassment during school and after-school programs, on school field trips, school or Diocesan sponsored events, and when students are traveling to and from school.

What is bullying?

Bullying occurs when a student, or group of students, repeatedly try to hurt, humiliate, intimidate or get power over another less powerful student in any of the following ways.

- **Physical bullying** is when a student repeatedly uses physical force to hurt another student e.g. by hitting, pushing, shoving, kicking, impeding or blocking movement, taking a student's belongings or stealing their money.
- **Verbal bullying** is when a student repeatedly uses words, images or gestures to intimidate or humiliate another student e.g. by taunting, name-calling, teasing, put-downs, insults, threats, and blackmail.
- **Relational bullying** is when a student repeatedly and intentionally excludes or isolates another student e.g. through leaving them out, manipulating others against them, or spreading untrue rumors or gossip.
- **Cyberbullying** is when a student repeatedly uses their cell-phone, text messages, e-mails, instant messaging, the Internet and social media to threaten, shame or isolate another student. This is defined in more detail in the Diocesan Telecommunications Responsible Use Policy.

Bullying is different from conflict. Conflict is an inevitable part of life and can occur at school when a student perceives another student as being an obstacle to what they want or value. If students are in conflict but are not using bullying to get power over the other student, we are committed to helping our students talk it through.

What is harassment?

Bullying may at times amount to harassment. It is harassment to target a student online or face to face because of their actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or because they are associating with a student or group of students with one or more of these actual or perceived characteristics.

It is **sexual harassment** to target a student with unwanted sexual comments, gestures, attention, stalking and physical contact that cause a student to feel uncomfortable or unsafe at school, or interferes with schoolwork. It is the policy of the Diocese to ensure that schools investigate and respond to complaints involving sexual harassment as provided in the school's Sexual Harassment Policy.

Harassment in any form is illegal. Our Diocese does not tolerate bullying or harassment, or any act of retaliation against a student that has reported bullying or harassment.

There will be regular meetings scheduled for the planning and coordination of different projects and events. Leaders will be chosen each year from among the active supporters.

Additional Opportunities

- Room Parents
- Field Trips (drivers and chaperones)
- Class Fundraisers

- Facilities/Maintenance (electrician, plumber, landscaper, etc.)

Volunteer Guidelines

All parents are requested to provide the following information to the school office:

- Fingerprints - you must be fingerprinted and checked through the Diocese of Oakland and the Department of Justice. You will be charged \$35.00 via an invoice from SCCS. Please send a copy of this form to the school office.
- Safe Environment [VIRTUS] - All parents are required to take the Safe Environment training and turn in the certificate to the office. Training can be done by going to <http://www.virtusonline.org/virtus/> (paid by the school) or by attending approved workshops hosted by the parish or diocese. This training must be completed every three years.
- Part of the VIRTUS training guidelines mandates that all parents, volunteers and guests on campus must use either the bathroom in the office (if available) or bathrooms in the staff/faculty room.
- Driver's License - please provide the office with a copy of your current driver's license.
- Insurance Declaration Policy - a copy of your Declaration page stating your coverage of liability for Bodily Injury must be at least \$100,000.00 for each person and \$300,000.00 for each occurrence.
- Health Screening - All volunteers who work at the school site twelve (12) or more hours a month must have a current TB test.
- Megan's Law Screening - A Megan's Law screening is done for all. Anyone who has contact with or access to children must be screened. Conviction of a sexual crime will bar an individual from volunteering in any capacity.

Health and Safety

Child Abuse or Neglect - Child abuse is any act of commission/omission that endangers or impairs a child's physical or emotional health and/or development. This includes: physical abuse or corporal punishment, emotional abuse or deprivation, physical neglect and/or inadequate supervision, sexual abuse and/or exploitation.

School personnel are required by law to report any reasonable suspicion of child abuse. A reasonable suspicion of child abuse means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience to suspect child abuse. Determining whether or not the suspected abuse actually occurred is not the responsibility of the educator, but that of the child protective agency.

Immunizations

No child may be admitted as a student of a school unless he/she has been immunized according to California Immunization requirements. TB (PPD) Screening or No Risk Assessment must have taken place within six (6) months upon the start of school for all new students.

Conditional Admission: A student who lacks the required immunizations has one (1) week to complete all requirements.

Student Illness

- **Parent to School Notification** - Parents should notify the school immediately if their child has come into contact with or has any contagious disease or condition, such as but not limited to, chickenpox, pink eye, hand foot and mouth, slap cheek and/or head lice. Students who have contagious diseases or conditions must be excluded from school.
- **Allergies** - Parents should notify the school office and classroom teacher of any food, medical or environmental allergies on the Emergency Form or in writing as soon as possible.
- **Distribution and Consumption of Medication Policy**
 - Schools may not supply any medications.
 - All medication requires parent(s)/legal guardian(s) authorization.
 - All prescription medications and aspirin require physician and parent(s)/legal guardian(s) authorization.
 - All medications must be secured in the school office. Use of an epi-pen usually necessitates a 911 call. Due to the risk of students sharing medication, no student may carry their own medications. In the event that a student is seriously at risk without the epi-pen or inhaler on their person, consideration will be given to a variance if the physician and parent document the following:
 - Risk of not carrying medication - school must have a Permission to Carry and Self Medicate form on file
 - The student has been instructed in the symptoms, administering, side effects, responsibility not to share, and the responsibility to notify the teacher immediately after use.

- Glucose testing and insulin administration is to be coordinated by the parent(s)/legal guardian(s) in collaboration with the school principal.
- Parent(s)/legal guardian(s) will assume full responsibility for supplying all medications. **No medications may be brought to school by students.** Parent(s)/legal guardian(s) must personally deliver any medication to be administered.
 - All medication must be delivered to the office in original containers and labeled with the name of the medication, dosage, name of child, and frequency of administration. Over-the-counter medications should be in original, sealed packages with directions for administration.
- **Aspirin and Other Over-the-Counter Drugs**
 - The dispensing of aspirin will be treated as a prescription drug. No aspirin will be administered to students by any school personnel without written authorization from the student's physician.
 - Students requiring over-the-counter drugs (with the exception of aspirin) will be assisted by authorized school personnel. This shall be done in accordance with the parent(s)/legal guardian(s) instructions provided that a signed medication form is on file for the specific medication and all items listed above are in compliance. Cough drops and vitamins are considered over-the-counter drugs.

Emergency Procedures

- **Earthquake and Fire**

- In case of a serious earthquake, students who have not been released into the custody of their parents or parents' designee (according to the emergency form) will be retained on school premises.
- In emergencies, information from student emergency forms may be released to appropriate persons, as necessary, to protect the health or safety of a student or other persons.

Technology Responsible Use Agreement

As a member of the school community, I agree to the following rules and code of ethics:

1. I will treat others with respect and compassion in all interactions, including online communication. I will treat others kindly in all communications, including “private” messages. I will not publicly disparage the school, staff, students, or other members of the school community. I recognize that anything sent using technology can be copied and saved forever online.

I will not transmit inappropriate material to others via messages, social media, or other ways. Examples of inappropriate material include messages or images that are intentionally insulting, sexually explicit, racist, sexist, use foul language, depict alcohol or drug use, or include graphic violence. Such material usually upsets other students and is brought to the attention of teachers, even when sent outside of school.

2. I will care for school devices and systems, and not vandalize or intentionally damage them in any way. This includes hardware, software, and internet services owned, provided, or supported by the school. I will not waste school resources like paper or ink.

3. I will respect others privacy and work, by protecting and not sharing or using passwords, messages, photos, recordings, or personal information of someone without their permission. I will not attempt to log into any device, program, or service as another person. I will protect and respect others work: for other students, I will not attempt to alter or delete their work without permission. For creators who have shared their work online, I will respect copyright, abstain from piracy, and avoid plagiarism.

4. I will use school technology resources for educational purposes only. I will stay on task during classroom activities using technology. I will not use school devices, software, or systems (like wifi) for non-school purposes like chat, gaming, playing music or watching videos. I will not use school resources for any commercial enterprise. I will not search for material on the internet that is illegal or inappropriate for school, and if I encounter such material accidentally I will not pursue it.

5. I will use personal technology only as directed by staff while at school. I will only use my personal technology (including devices and internet service) at school if allowed by the school and staff. If permitted, I will use my personal technology only for educational purposes. I understand that my personal technology is still governed by this Technology Responsible Use Policy and/or the school’s BYOD (Bring Your Own Device) policy. The school will not be responsible for the security, troubleshooting, charging, or repair of personal devices.

Any user who violates the Responsible Use Policy or local, state, or federal law, faces the restriction or loss of technology privileges, disciplinary action, and may face legal prosecution. Parents may be held financially responsible for any student action that results in damage to school technology or a cost to the school.
